Activities

There are no activities scheduled at the present time, other than the normal shooting times.

If you would like to take part in shooting activities, please arrange a date with the organiser (see Who's Who) of the discipline you wish to try. There will be a small amount of paperwork that needs to be completed, a range safety brief, then someone will help fit you up with whatever gear is required and you will be ready to try your hand at shooting.

If you have any questions please do not hesitate to ask the evening organiser or any member who will be only too glad to help in any way.
