

Benchrest

NSRA Instructor Course

We are planning to run this course for Benchrest shooters in the South West region, including the Channel Islands. Our proposal will be put to the next meeting of the Devon County Executive by Mog Thomson. For our plan to be successful, we need to convince the NSRA that there is sufficient interest in our region to justify their provision of a trainer.

If you are interested in attending this course, please sign in on the Pinhoe Target Shooting Club's web site. <https://pinhoe-tsc.org.uk/benchrest-instructors-course/> to provide the ammunition to press forward on behalf of the many BR shooters in the South West.

Best wishes,

Andrew (Pinhoe Target Shooting Club) & Mog (Bideford Target shooting Club)
